FABULLA
COLLECTION

The Glue + Matt Surface is a true testament to craftsmanship, blending texture and color with remarkable precision. Infused with multi tonal granules, it exudes depth and vibrancy, while the matte background lends a refined, understated elegance. The seamless flow of glue ink creates embossed veins, adding a rich, tactile dimension that enhances the surface's sophisticated appeal. Perfectly balancing subtlety and detail, this design transforms any space with its unique charm

Welcome
to the World of
Rey Cera

For over 25 years we have combined our ceramics making tradition with innovative technology and a forward thinking style. Now, we are an international group that gathers together the most reputable ceramic and porcelain tile brands under its name and whose orientation will help us to expand and consolidate our vision.

Supported by our research and design activities, we think beyond the mere manufacture of tiles, striving instead to produce lasting quality.

From Matt to Magnificent + Dual Finish Innovation

The Fabulla Collection offers dual elegance with sophisticated matt finishes and innovative Glue finish technology. The Glue variant features embossed veins that glow softly under light, creating captivating visual depth without sparkle.

Choose between understated matt sophistication or the mesmerizing glow of light-activated surfaces. Fabulla doesn't just tile your space it transforms it into a living canvas that responds beautifully to every ray of light.
