At your service

Rey Cera, a company founded in 1990, has been manufacturing and selling integral porcelain tiles for all kinds of flooring and wall tiling solutions.

The manufacturing plant and main offices in Morbi, Gujarat IN, and the Worldwide logistics warehouses, make it possible to supply and deliver all the items in customers' orders. Through its national and international distribution network, Rey Cera exports tiles to more than 85 countries in all five continents.

As a result of our commitment to quality, all of our products comply with the guidelines of the ISO 9001:2000 standard, which guarantees that our research, development and commercializations are carried out with the maximum guarantees.

“As a company we work in the present, taking into account the past, for an essentially unknown future”

A stoneware that grows to suit your needs

Shifting the focus from minimalism to mighty force of geology makes for an interior design trend guaranteed to get heads turning. Dramatic interior is a trend with an essentially neoclassical influence, inspiring spaces with natural marble and stone effects.

Stone hewn from the world's most prestigious quarries are the origins of this trend, characterised by marble effect designs featuring sophisticated patterns and bright and beautiful colours which, together with the precious stone effects, will become the focal point of any room.

Infinite Possibilities

800x1600mm is a collection inspired by Natural Stone with material touches. A versatile collection in terms of decoration, tone and format , that presents a modern and industrial look.

In addition, its marble effect gives the pieces a strong character and personality and its pleasant texture makes It the ideal choice for any environment .

Rey's 800x1600mm is style, It is avant-garde. It perfectly combines the beauty of the classic but is trans gressive and that is, in short , what makes this collect ion unique and exceptional .
