

Grafitè
ceramics®

CONVENTIONAL
SURFACES

at grafitè ceramics experienced, knowledgeable & ethically committed skilled workforce consistently strive & deliver industry standard superior quality glazed vitrified tiles that's manufactured at production facility based at morbi, gujarat (india).

infrastructure occupies twelve acres of land with a production capacity of fifty lacs square meters annually, under the leadership of a chair person who first stands to be a practicing architect & interior designer now a industrialist ensuring end product scores high on aesthetics & functionality, creating memorable experience of a luxurious lifestyle for the end users. using state of the art cutting edge technologies & innovative applications that gratify lifestyle & elevates the spaces.

brand grafitè offers surface options categorized as premium surfaces & conventional surfaces to ensure best of transformation of the spaces. qualitative approach & consistency in execution of ideologies clubbed with fair & transparent business policies has lead to long term associations.

feedback & suggestions from our dealer networks, architects & interior designers has pushed our individual as well as collective capabilities to explore new possibilities as per the need of changing times.

ceramics®

cmd's message :

grafite's portfolio is categorised into two groups

- * conventional surfaces
- * premium surfaces

this pdf showcases only the conventional surfaces.

every surface is clustered shadewise & further arranged alphabetically.

design name: A → Z

design tone:

my designing fraternity now has the wings of all the new possibilities,
grafite ceramics made it possible to transform spaces exactly the way
you imagine it.

choose the design you like

let us know the way you need the touch & feel of the surface to be...

we will make as per sizes you need

RAVI PATEL

architect - chief managing director
grafitè ceramics pvt ltd

Grafitè | conventional surfaces

ceramics®

transcending range of glazed & polished
glazed vitrified tiles in surface options that are universally adaptable.

traditionally accepted for generations, easy
to maintain also budgeted. preferred choice for
transforming spaces especially on larger scales.

conventional surfaces

pgvt

polished glazed glossy tile
that's non textured, reflective,
stain resistant, low
maintenance & economical
surface.

high gloss

light colour designs curated
on a super white backdrop
with extra clear top glaze
achieving extreme
sharpness & clarity of the
details.

dark high gloss

mirror like reflections
visible on designs curated in
dark colours. depth &
sharpness in printing gives
rich & extremely reflective
gloss visibility.

carving

mild shiney carving glitters
randomly as if its scattered
all over the textured areas
on precasted raw patchy
floors in classy colour
palette choices.

pristine matt

scratch proof abrasion
resistant non polished
glazed tile that's elegantly
subdued easy to maintain
non textured surface.
